ABOUT ME

ICT student with hands-on experience in UI/UX design and frontend development, with a strong focus on usability, visual consistency, and collaboration. Experienced in building responsive, user-centered interfaces for web and mobile applications through academic projects and hackathons.

SKILLS SUMMARY

- **Programming:** Java, JavaScript, Dart, SQL
- **Frontend Development:** HTML, CSS, Flutter, Streamlit
- **UI/UX Design:** Figma, Wireframing, Prototyping
- **Database:** MySQL, Database Design, MongoDB
- **Tools:** Git, GitHub, VS Code, Android Studio, Power BI, Docker, Cisco Packet Tracer
- **Language Skills:** English (Advanced), Myanmar (Native), Thai (Basic), Chinese (Basic)

PROJECTS

ASAP - Cross-platform Responsive Interface for Delivery App System | [Figma Link](#)

- Designed user flows, wireframes, and high-fidelity UI for a cross-platform (web, mobile, and smartwatch) delivery app system, focusing on usability, clarity, and consistent design.

Golf Membership App | RSU Hackathon 2025 | Final Top 10 | [Figma Link](#)

- Developed frontend features for member bookings and coupon management; integrated with backend systems
- Collaborated on UI/UX design to deliver a clean, responsive interface with light and dark modes
- Implemented real-time data synchronization to ensure accurate membership status and access control

CODE RED: Earthquake Disaster Vulnerability Simulation & Analytics Platform | [Live Demo](#)

- Collaborated with my team to develop an interactive earthquake simulation and analytics dashboard using HTML, CSS, and JavaScript
- Built agent-based modeling simulations in Python and applied machine learning models for predictive analysis.

WORK EXPERIENCE

EventOperations Assistant | IT & CMA Event 2023 – TTG Booth | Bangkok, Thailand

- Assisted with event logistics, booth operations and visitor engagement during the event

Social Media Admin | [One Click Institute](#) (January 2025 - April 2025) | Myanmar

- Managed social media content, engagement, and basic visual posts

Rangsit University International Language Center Team Leader (2023 - December 2025)

- Supervised mentoring activities and supported program development; collaborated with the ProDev team on academic and digital initiatives.

PR Officer |Tech-Driven Learning: Innovations Shaping ICT & IB Education Webinar |Rangsit International College

- Supported event promotion, registration, and participant communication, assisted with digital outreach and live webinar coordination (Zoom & Facebook Live)

Founder & Owner | [Secret Giggle](#) (2023 – Present)

- Created promotional content and product visuals; managed customer inquiries, and online order processing across Facebook and TikTok platforms.
